ABOUT ME

Hi! My name is Daniel and I am originally from the Czech Republic. I am now in the penultimate year of my Accounting and Finance studies at DCU.

I have been working part-time since September 2023 in BEST Menswear, where I have developed valuable skills in **communication, collaboration** and **quick decision-making**.

In my free time, I learn about financial markets and actively day-trade S&P 500 and NASDAQ. This provides me with strong **risk management** experience, helps me develop **discipline** and **emotional control**, and enhances my **quick analytical skills**, as I need to analyze real-market data within seconds. Additionally, I have succeeded in several economics and trading-related competitions.
